Spa Policies

Cancellations must be made 24 hours prior to the appointment time. For spa packages scheduled, we require a 48 hour cancellation notice.

Cancellations providing less notice than required may result in a 50% charge of your scheduled treatment. No-shows may be charged 100% or loss of gift certificate. Cancellation fees may be waived if we are able to fill the appointment time.

For appointments involving two or more services (including spa packages), a 20% deposit is required to secure your appointment. This deposit is refundable provided 48 hour cancellation has been given. Please have your gift certificate number ready when scheduling your appointment.

Please arrive 5-10 minutes early for your appointment to allow for paperwork, discussion of your services and time to settle in for your treatment. If you are late for your appointment, your treatment time may be shortened accordingly to allow provider schedules to remain on time for other patrons of the Spa. You may be charged the full value of the service scheduled.

Please silence your cell phone upon entering the Spa.
